

**Providence—Mercer—Warren neighbors---please read and complete
this indenture (easement) form this so that the Town can come onto your
property to repair your storm sewer**

The Town needs permission (this signed indenture) to come onto your lawn to work on the storm sewers. You need to write in the date, print your name, include your address, and sign it. The Town promises to fill any dug holes, reseed lawns, replant bushes and do whatever it takes to return your lawn and property to the condition it was in before the storm sewer work was done by the Town. You certainly should talk with the workmen and inform them of your concerns, tell them about your flooding and storm water problems, ask questions, and in other ways help them to do what needs to be done to get the storm sewers to work properly, while protecting and improving your property. The telephone number of Town Hall is 352-1980, and the Highway Department is 861-5108 if you feel the need to talk with someone about a problem that is not being properly handled. Don Reeb, 5 Norwood Street, McKownville, 489-3909, dreeb@albany.edu, added this note, May 21, 2011.

This indenture (easement) made the 22nd day of May 2011 between
DAVID A BOSWORTH JR. AND EILEEN BOSWORTH
residing in the Town of Guilderland, County of Albany and State of New York, parties of the first
part, and TOWN OF GUILDERLAND, a municipal Corporation in the County of Albany and
state of New York, and Guilderland Highway Superintendent of the Town of Guilderland, parties
of the second part, WITNESSETH: Donald M. Minio I 7 Providence Street Albany, NY 12203
That the parties of the first part in consideration of the sum of One Dollar (\$1.00) and other good
and valuable consideration paid by the parties of the second part do hereby grant and convey to the
parties of the second part a one year easement in and upon the real estate of the parties at the
following address 5 PROVIDENCE STREET, ALBANY, NEW YORK 12203
in said town for the purpose of improving the storm sewers in and upon such premises as said
Superintendent of Highways shall determine are required for and in connection with certain
improvements to the afore-mentioned street or highway, to wit: the grading thereof, and the right
and authority to make all excavations, embankments, cuts and fills requisite to the construction of
said slopes in and upon said premises, and the under-signed does hereby further release said
parties of the second part and each of them from any and all claims for damages or demands which
the undersigned may have or hereafter acquire against said parties of the second part or either of
them by reason of or on account of any injury to said real estate or improvements thereon on
account of the construction of said slopes and on account of any change of grade in said street or
highway.

Signatures: David A Bosworth Jr.
