Don,

I am writing to you as President of the Independent Benevolent Society, the largest of the Jewish Cemeteries located on Fuller Road. I received your e-mail address from Larry Rlison, a reporter the Albany Times union. I hope that you do not mind my writing to you, but I do not know who el to contact with questions that have arisen from my board, questions such as: What is the mission of the association?;How does one Join?;If there are membership dues and requirements what are they?;How often do you meet?;I basic questions.

Our object is to be ahead of anymore planning by SUNY, SUNY POLY, or any of its sub organizations, as has happened in the past. To date we have lost access to the front of our chapel, off of Fuller road, our internal road way is the only way Congregation Beth Abraham Jacob can access their cemetery. We have gained a CDTA bus stop at our former front door (no students, now no neighbors, but a large trash accumulation which blows throughout the cemetery). We have been told CDTA will provide a trash bucket, but we have to empty it ourselves). Etc., etc.

For the past 100 years we have done our best to be a good neighbor in the community and at the same time be able to provide the wants and needs of our organization. Two years ago we were awarded a certificate of merit from the Albany Historical Association for all that we have accomplished in being a good steward (this was the first time an award such as this was ever

We are looking forward to the next 100 years, but we need help in not feeling that we are being ,"squeezed", by all of the development on what was once a quite country road.

If you don't mind I would like to talk to you and can be reached at (518) 346-4482 during the day or evening...or by e-mail at ssacklow@nycap.rr.com ...or at my home 716 St. Marks Lane, Niskayuna 12309.

Might I thank you in advance,

Stewart Sacklow,
