Just wondered if you might want to collect donations at your McKownville Ass'n. mtgs.? I know how much you care about our community!! (I'd be happy to collect & deliver the donations on a regular basis.)

Dear Guilderland Friends,
Recently, Tim Wiles, director of the Guilderland Library, suggested that we leave a bin at the library to collect food donations from Guilderland residents that visit the library. We have done just that. You can see from the attached article, that we purchased a clean, bin on wheels that we can move from point to point for convenience. It is especially easy to take out to the car to unload. We make scheduled visits to the library to pick up the food.

* Cindy Wadach, who volunteers at the library, thought it would be a great idea to approach several Guilderland businesses and seek permission to do the same at their location. We are inviting you to join us, and install one of these collection bins at your location.

If you choose to help us out, I would purchase the bin, label it with information about the Guilderland Food Pantry, and secure a volunteer to pick up the food from your site on a monthly basis. I would also love to come speak to your group about the need for helping the 120 Guilderland families who are food insecure. Many of these families have hungry children and seniors in the household.

Thanks!!

If you choose not to use a bin would you consider a monetary donation to help purchase food for the pantry? Donations can be made to GFP, PO Box 7, Guilderland, NY 12084.

The Guilderland Food Pantry is located at Hamilton Union Presbyterian Church, 2291 Western Avenue, in Guilderland. Our phone number is 930-1001. Thank you for your consideration in this matter.

Sincerely,

Susan Hennessy
