Don,

I'd like to request that a couple of announcements be made at the Thursday evening McK Improvement Association meeting concerning the renovation and remodeling of the fire house.

1) The public is invited to a presentation and Q&A on the Fire House renovation at the Fire House on Tuesday October 4, from 6:00 - 9:00 PM. The building engineer, the fire district's attorney and fire commissioners will be present to display the plan documents, along with anticipated financing and budget impact. Prior to this meeting, flyers will be mailed to all registered residents of the fire district with information on the renovation and inviting them to this meeting.

2) A special election of the McKownville Fire District will take place on Tuesday, October 18, 2016 between the hours of 6:00 p.m. and 9:00 p.m. at the McKownville Fire House, 1250 Western Avenue, for the purpose of voting upon the proposition to fund the Fire House renovation.

I will be at the Thursday meeting but have an earlier commitment, so I may be late. I want to make sure that the people of McKownville are aware of these sessions. They will be formally announced via the Times Union and the Altamont Enterprise but those announcements are easily missed.

Thanks,  
Jim

I will make sure we have time for the announcements---it may be that the guest speaker--Chris Spencer-- will be arriving about 7:45.

Don
