Mr. Gerald W. Hamme 30 Norwood McKownville, New York

Dear Jerry:

The Annual Meeting of the McKownville Improvement Association will be on Tuesday, May 16th. At Christ Lotheran Chorch

I have appointed you chairman of the Nominating Committee to present a list of nominations for the year 1967-1968, with Harold Van Heusen to assist you. I suggest you also consult Fred. Abele, former President of the Association for new men to participate. I am not adding Fred. to your Committee officially, as he is a busy man with several civic jobs already.

We have an excellent Secretary at present and all of us want her to continue. But we need a new President, Vice President and Treasurer, one (1) Director to take the place of J. Francis Purdy, and three (3) Directors for Michael Hannon, George Hurley and William Peer, whose term of office expires 1967.

Please call me if I can assist in anyway. If possible, the nominations should be available for the Advance Notice for the May 16th meeting.

Sincerely,

Hugh Prytherch
