RE: FULLER ROAD SIDEWALKS

DEAR SAL:

JUST A SHORT NOTE TO EXPRESS MY CONCERN FOR THE SAFETY OF THE PEDESTRIANS ON FULLER ROAD BETWEEN THE UNIVERSITY ENTRANCE AND STUYVESANT PLAZA DURING THE WINTER-TIME. SINCE THE SIDEWALK ON THE WEST SIDE IS NOT CLEARED OF SNOW, THE STUDENTS AND LOCAL RESIDENTS ARE FORCED TO "TAKE TO THE STREETS".....WHICH PLACES THEM AT AN EXTREMELY DANGEROUS DISADVANTAGE.

WOULD YOU OR THE TOWN BE ABLE TO ARRANGE FOR EITHER THE PLAZA OR THE UNIVERSITY (OR, PERHAPS THE TOWN FORCES) TO KEEP THESE WALKWAYS PASSABLE?

BEST REGARDS,

JOHN K. ESLER
