Dear Mr. Behn:

It has been a couple of weeks now since we talked about proposed use we have for the Faculty-Student Association house at Waverly Place. I wonder if you have had a chance to talk with some of the neighbors for reaction to our proposal. I'm going to be out of town from November 6 through November 15 and if there is any news on this I would appreciate your contacting me before Tuesday, November 6.

Again, let me express my appreciation for your consideration of our proposal. I hope we will be able to work out something mutually satisfactory.

Sincerely,

John W. Hartley
