

The McKownville Improvement Association

McKOWNVILLE
ALBANY 3, NEW YORK

December 12, 1973

Supervisor and Town Board
Town of Guilderland
Town Hall
McCormack's Corners
Guilderland, New York 12084

Gentlemen:

As you know, the function of our McKownville Improvement Association is to promote the interests of the residents of this hamlet. Inasmuch as the condition of our water supply has always been one of the major concerns of our community, we would like at this time to request that you appoint Mr. John Esler of 19 Elmwood Street, McKownville, to the position on the McKownville Water Advisory Board which was vacated last year by Mr. Gerald Hamme.

Mr. Esler, currently Vice President of our Association, is a registered professional engineer and is well qualified both by experience and training for this position. We believe, judging from his actions and concern on behalf of the Water District, that he will be an asset to the Water Advisory Board.

We hope that you will favorably consider this recommendation at this time in order that the community may always have the benefit of a full complement of members on this Board.

Respectfully,

THE MC KOWNVILLE IMPROVEMENT ASSOCIATION
by Melvin Behn, President
