Dear Mr. Carlson:

Following up on my telephone conversation today with Mr. DeFeo of your staff, we would appreciate the opportunity to meet with your planners to discuss the Western Avenue (Route 20) resurfacing project. Since we have already developed locally several ideas with regard to possible features of such a project, I would expect that our efforts could be of mutual benefit.

We can be available to meet at your convenience at either Holland Avenue or at the Campus.

Thanking you in advance for your consideration, I am,

Yours truly,

John K. Esler
President
