

McK. I.A. OLD FIREHOUSE

c/12/76? Alice Torda & Margaret McKinley spoke to me about the Bryn Mawr book store closing down!

The Fire Dept. is now storing ~~with~~ a fire truck in the bldg.

Howard Jackson says the water bill is now being sent to the City Station.

It was originally left, by someone's will, to McKeesville for the use of the community. When it is no longer used for this purpose, then it reverts back to the original landowner.

c/19 I told Vera McCurville about it and asked her to investigate it and it's status.
