

# **McKownville Improvement Association, Public Meeting**

**Tuesday, May 10, 2016—7 pm-9 pm**

**Hampton Inn, 1442 Western Avenue**

**SUNY Poly and Loughlin Street** SUNY Poly recently issued an amended environment impact assessment form. SUNY Poly's construction of a 750 space-parking garage and a 130-bed dorm will be built on its campus—not on Loughlin Street. Columbia Development (Mercer Properties LLC) owns the 11 homes on Loughlin. Hopefully Loughlin again will be a street of occupied single-family homes and SUNY Poly will not expand into McKownville. Columbia Development president Nicolla will be the guest speaker at the next meeting, May 10, 2016.

**School and Library Vote** The vote on the school budget, the selection of three persons to serve on the School Board, the vote on the library budget, and the selection of two persons to serve on the library board will be May 17—from 7am until 9pm. The proposed school budget raises taxes by less than 1% while the proposed library budget raises taxes by about 1.5%.

**Voting is an important privilege and responsibility—so please vote.**

**Email Addresses** With the introduction of FIOS service in our area, or for other reasons, a number of the email addresses in the McKownville listserv are no longer valid. If you have not received emailed McKownville news items recently you may wish to send your email address to [donreeb@gmail.com](mailto:donreeb@gmail.com).

**The Holt-Harris Property** The two houses and other structures on the Holt-Harris property have been demolished. The University at Albany Foundation will continue to remove dead trees, replace a fence that seperated a Norwood Street property from the Holt-Harris property and fence off large holes on the Holt-Harris site.
